

CINECAMPING

A FILM STUDY HOLIDAY IN BASILICATA

6-13 August 2017 - Pisticci/Matera - (south Italy)

CineCamping

A FILM STUDY HOLIDAY IN BASILICATA

6-13 August 2017 - Pisticci/Matera - (south Italy)

WHAT IS CINECAMPING?

CineCamping is a study holiday for young people aged between 18 and 30 years old who come from all over the world. Participants will be offered the opportunity to enjoy a theoretical and practical path of literacy and knowledge of film professions in Italy. In the meantime, they will establish the production of a film through the formula of camping in tents in picnic areas. Cinecamping will be held in the creative-cultural context of the *Art Center "TILT"* of *Marconia (Pisticci, Basilicata)* which will be the base for our students to enjoy the stunning landscape setting of Basilicata and its cities, including the famous cave-city *Matera*.

A STUDY HOLIDAY

CineCamping gives participants the opportunity to combine vacation, study and cinema, through a highly experiential path across culture, tourism and production. It is the perfect experience for young people who wish to approach film professions for the first time, as well as for those whose aim is to strengthen their former knowledge of cinema and related aspects. CineCamping provides teaching and production of film works to be carried out in the open air set of Basilicata, a region in the South of Italy, where participants will enjoy the extraordinary scenarios of the "*Sassi*" of *Matera* (stone houses carved out of the caves and cliffs), the golden beaches of the Ionian Sea and the beautiful lunar landscape of gullies in *Pisticci*. The area is plenty of stupendous places that may be discovered and used as film locations. Students will work with one or more filmic productions (fiction, doc-fiction, documentaries and commercials), with the support and the contribution of a highly qualified team of directors, cinematographers, editors and sound engineers, and having a fleet of advanced equipment. Cinecamping is also a holiday that Participants will fully experience when spending their free time at the beach of *Pisticci*, or attending the several cultural events that take place in the area of the Lucan Ancient Greece. Finally, Students will be given the opportunity to participate in the 18th edition of the **Lucania Film Festival**, during which the Cinecamping works will be projected and introduced both to the general public and to the international guests the Festival is going to host.

WHO CAN PARTICIPATE AND HOW TO PARTICIPATE

Cinecamping is open to young people aged between 18 and 30 (Eu citizens and non-EU) Students can apply by filling in the online form on the website www.lucaniafilmfestival.it They are required to attach a CV and a copy of the declaration of the first installment paid by bank transfer.
